SPRING TERM 2021 VIRTUAL RECREATIONAL PROGRAMS

Pre-registration required – Select the event date/time you will be joining Zoom by adding an "X"

Virtual Discovery Lab (Grades 2 - 6)

Sign up to take part in this **8-week program** all about discovery and exploration in the field of science. Each week we explore a different topic through discussion and hands-on experience. Participants will receive an Activity Kit with all supplies for the experiments for the duration of the program.

*We have **tech available** (at no additional \$ charge) to help get your child connected:
If you **require the use of tech** for the duration of the program, **please click here:** _____*

\$40/8-weeks:
Thursdays: May 6th – June 24th - 4:00 - 5:00pm _____

Please add an "X" to select your session – then ADD fee below:
