Monthly Highlight

This month we have two amazing adventures to highlight!

#1

Join us for some fun with the animals when they are still enjoying the Spring weather, maybe if we're lucky we'll spot some baby animals!

#2

We will go and experience the Oyama Zipline Adventure Park and the children will split into two groups. Both activity options offer interactive play with a strong physical activity focus.

The younger kids will get a chance to try out the **Monkey Kids Netted Play Park**— an awesome parkour park!

For kids ages 12 and up we offer the **Aerial Trekking Adventure Park**. This course will challenge some of our older kids and is a ropes course packed with adventure and challenges to overcome.
